Dear Father Registrar:

We have found that it is a matter of interest to the people of the United States to have a compilation of the extent of the educational work of the Church throughout the world. For this reason it is our purpose to include in the 1948 edition of our publication, the post-war statistics of those universities which are mentioned in the section entitled "Catholic Universities of the World."

We are sending this form letter to all these institutions to gather and correlate such information, hence, we ask you for statistics on the following points:

1. What is your present enrollment? 2400
2. Have you added any schools since 1946? *no*
3. What is the total population of your country? 5,400,000
The total Catholic population? 98% →

Trusting that you will be able to assist us and with us further the work of spreading knowledge of our holy Faith, I remain,

Sincerely yours in Christ,

Mark V. Angelo, O.F.M.
