Dear Sir:

The Pontificia Universidad Católica de Chile is involved in
impelling the development of the Biotechnology and it has
already approved the creation of a Development Center on this
matter.
Professor Dr. Federico Leighton is visiting Europe and the
United States and will be in New York about July 23rd inst.
where he will try to contact you.

I would appreciate very much if you could meet him at that
time.

Thanking you in advance I remain

Sincerely,

JUAN D. VIAL VIAL CORREA
